ABOUT ÖRNEK ELMAS

ÖRNEK ELMAS was establihed in 1980 by Nedim Örnek in Istanbul. Our company makes professional production in production line by using the latest technologies. Örnek Elmas company makes production in 6000 m2 area in Dilovası, Kocaeli.

We produce saw blades for marble, granite, concrete and asphalt, diamond vacuum tools, drillers, polishing pads, diamond wire, blades for marble blocks, gang saw blades, etc.

Our company has ISO 9001 Quality Certificate.

Örnek Elmas products are not only sold in Turkey market but also exported to international markets. Our company exports it's products more than 15 countries at the present time.
